Kilby Packaging, a family owned and managed company, is a key supplier providing quality products with expert help and advice for over sixty years.

## The Complete Packaging Solution

Kilby Packaging presents an integrated service offering the convenience of sourcing all your packaging materials from a single supplier. Whether you require a simple corrugated case or a high gloss, colour display pack, a solution will be tailored to your individual needs. The Kilby Packaging tape printing facility has an excellent quality record developed over the last thirty years and produces customised tapes to colour, size and design requirements.
