

www.ralabone.co.uk

Accreditations:

ISO 13485

ISO 9001

ISO 14001

TS 16949

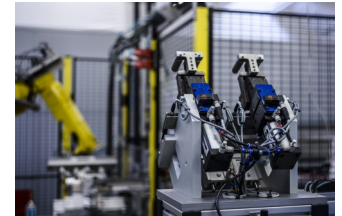

MANUFACTURING CAPABILITIES

Medical Cells

Dedicated cGMP Manufacturing Areas

Automation

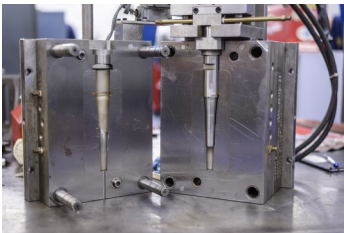

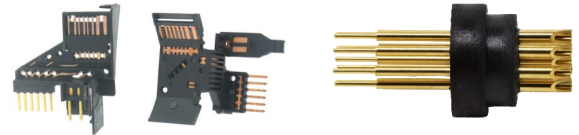

Moulding Capabilities

20 x Arburg moulding m/c's

Range: 25T to 150T

Toolroom

In-house Design & Manufacture of Mould tools and Press tools.
CNC Milling CNC machine centres

Pressing/

Stamping Capabilities

10 x Minster Power Presses

Range: 16T to 100T

Metrology

Vision Systems
Flat Bed CMM's
Automated inline inspection

Finishing

Solvent cleaning
Roto Abrasion

Secondary Operation

Stud Welding Cells
Manual Soldering
Semi Automatic Solder application

Project Management & NPI support

A team of 8 engineers actively involved in...
Feasibility reviews, design reviews (design for automation),

RA Labone & Co Ltd
